# 2009 Ambassadors In Mission

**AIM** is the missions outreach program for the Assemblies of God youth. AIMers spread the gospel through short-term missions teams doing street services, door-to-door witnessing, song, drama, mime, clowning, tract distribution, campaign services and anything else that might become available that would attract someone to Christ. AIMers have the chance to use their talents and abilities for the glory of God.

## The Miami Outreach

**What is it?** The **Miami Outreach** began in 1989 with a group of youth pastors and youth that wanted to couple the dynamic of a retreat with that of an Outreach. In the book of Acts there were three ingredients that propelled the Church: 1. The Word of God, 2. Prayer, and 3. Personal testimony of what God had already done. Properly motivated, young people provide a catalyst for the church to become active in its community to be what God has called it to be. The Word of God and prayer give the spiritual undergirding, or confidence, to declare the testimony which is the tool God uses to reach people. The history of every missions movement and revival has these three elements present.

The purpose of the **Miami Outreach** is to do things that will give youth the hunger and vision to see revival in their community. They are taken to the downtown area and are given opportunities to minister to people in migrant camps and parks. The hungry are fed. One of the highlights is to march through a prominent night spot area behind a large cross singing praises to Jesus. Reproach can be felt but many are responsive as the Gospel is presented. Prayer and praise are as effective outdoors as they are indoors.

Each morning begins with time alone - quiet time - as some put it. It is a time alone with God's Word expecting God to speak to the heart and give inner strength for spiritual battle. Then there is breakfast, discipleship classes and a time of prayer, praise and worship. In the afternoons, youth are divided into two's and three's and sent to a neighborhood where they knock on doors and pass out literature to people they meet. In the evening there is either a service at the host church or an outreach to a specific area of the city. That process is repeated each day.

**Who Can Come?** Any young person that has a relationship with Jesus and is 17 or older. Age exceptions only if you come in a group and the group leader assumes all responsibilities.

*I simply argue that the cross be raised again at the center of the marketplace as well as on the steeple of the church. I am recovering the claim that Jesus was not crucified in a cathedral between two candles, but on a cross between two thieves; on the town garbage heap; at a crossroad so cosmopolitan that they had to write His title in Hebrew and Latin and in Greek...at the kind of place where cynics talk smut, and thieves curse, and soldiers gamble. Because that is where He died. And that is what He died about. And that is where churchmen ought to be, and what churchmen should be about.*
